Monitor (‘Monitor’), the Independent Regulator of NHS Foundation Trusts, in exercise of the powers conferred by Section 6 of the Health and Social Care (Community Health and Standards) Act 2003 (‘the Act’) and all other powers exercisable by Monitor, hereby authorises Rotherham General Hospitals NHS Trust to become an NHS Foundation Trust (‘the Trust’), subject to the Conditions set out in Part 3 hereof.

2. This Authorisation shall come into force on 1 June 2005.

3. Subject to the provisions of Sections 25 and 26 of the Act, this Authorisation shall be of unlimited duration.

4. This Authorisation is not assignable.

5. Monitor may vary the Conditions of this Authorisation.
PART 2 Interpretation and construction

1. Words and expressions used in the Authorisation shall be construed as if they were in an Act of Parliament and the Interpretation Act 1978 applied to them.

2. Any reference to an enactment shall include any re-enactment thereof or amendment thereto.

3. Words and expressions defined in the Act shall have the same meaning when used in this Authorisation.

4. Unless otherwise specified, any reference to a numbered Condition (with or without a suffix letter) or Schedule is a reference to the Condition or Schedule bearing that number in this Authorisation.

5. In construing the provisions of this Authorisation, the heading or title of any Part, Condition or Schedule shall be disregarded.

6. Where any obligation of the Trust is required to be performed by a specified date or within a specified period, and where the Trust has failed so to perform, such obligation shall continue to be binding and enforceable after the specified date or after the expiry of the specified period.

7. In this Authorisation:

   “ancillary services” means services which support the provision of the mandatory goods and services listed in Schedule 2.

   “property” is land and buildings owned or leased by the Trust.

   “the Board of Directors” means the Board of Directors of the Trust.
PART 3 Conditions

1. **Principal Purpose**
   The principal purpose of the Trust is the provision of goods and services for the purposes of the health service in England. This does not preclude the provision of cross-border services to other parts of the United Kingdom.

2. **General duty**
   The Trust shall exercise its functions effectively, efficiently and economically.

3. **Constitution**
   (1) The Trust shall secure that its constitution is in accordance with any regulations made under Section 35 of the Act (Conduct of elections).
   (2) The Trust may make amendments to its constitution with the approval of Monitor.
   (3) The constitution, incorporating any amendments which may be made thereto, is annexed at Schedule 1.

4. **Compliance and enforcement**
   (1) The Trust shall comply with:
       - any requirements imposed on it under the Act or any other enactment;
       - the Conditions of this Authorisation;
       - the terms of its constitution; and
       - the terms of its contracts with bodies which commission the Trust to provide goods and services (including education and training, accommodation and other facilities) for the purposes of the health service in England.
   (2) The Trust shall comply with any guidance issued by Monitor, unless the Monitor has agreed with the Trust that, in the particular circumstances, the Trust is not required to comply.
   (3) A failure to comply may result in Monitor taking enforcement action under Sections 23, 24 or 25 of the Act.

5. **Governance**
   (1) The Trust shall ensure the existence of appropriate arrangements to provide representative and comprehensive governance in accordance with the Act and to maintain the organisational capacity necessary to deliver the mandatory goods and services referred to in Condition 7(1) and listed in Schedule 2 and the mandatory education and training referred to in Condition 7(2) and listed in Schedule 3.
(2) The Trust shall comply with the principles of best practice applicable to corporate governance in the NHS/health sector, with any relevant code of practice and with any guidance which may be issued by Monitor.

6. **Health care standards**

(1) The Trust shall put and keep in place and comply with arrangements for the purpose of monitoring and improving the quality of health care provided by and for the Trust.

(2) The Trust shall comply with statements of standards in relation to the provision of health care published by the Secretary of State under Section 46 of the Act, as currently set out in the Department of Health publication Health and Social Care Standards and Planning Framework (July 2004) as may be amended from time to time.

7. **Mandatory Services**

(1) The Trust is required to provide for the purposes of the health service in England the goods and services listed in Schedule 2 in the volumes or amounts specified therein (‘mandatory goods and services’) which goods and services in the volumes or amounts specified are to be provided pursuant to a legally binding contract or contracts between the Trust and one or more of the commissioning bodies, or on the understanding that the Trust and the relevant commissioning body or bodies will conclude a legally binding contract or contracts for the provision of said goods and services in the volumes or amounts specified within 12 months of the date on which this authorisation comes into force. This requirement includes an obligation to provide any ancillary services, accommodation and other facilities related to said goods and services and which are generally accepted to be required for the effective, efficient and economic provision of said goods and services in the volumes or amounts specified.

(2) The Trust is required to provide education and training to third parties for the purposes of the health service in England listed in Schedule 3 in the volumes or amounts specified therein (‘mandatory education and training’), which are to be provided pursuant to a legally binding contract or contracts between the Trust and one or more of the commissioning bodies, or on the understanding that the Trust and the relevant commissioning body or bodies will conclude a legally binding contract or contracts for the provision of said education and training in the volumes or amounts specified within 12 months of the date on which this authorisation comes into force.

(3) Monitor reserves the right to vary the goods and services and the volumes or amounts thereof which the Trust is required to provide in terms of Condition 7(1) and the education and training to third parties and the volumes or amounts thereof which the Trust is required to provide in terms of Condition 7(2), in particular in order to ensure the continuity of local service provision and the fulfilment of local health needs as they may vary from time to time.

(4) The Board of Directors of the Trust shall regularly review and shall at all times maintain and ensure the capacity and capability of the Trust to provide the
mandatory goods and services referred to in Condition 7(1) and listed in Schedule 2.

8. Authorised Services

(1) The Trust is authorised to provide goods and services (including education and training, accommodation and other facilities) for purposes related to the provision of health care, subject to written confirmation to Monitor by the Board of Directors that the Board of Directors is satisfied that the Trust has the capacity and the capability to provide said goods and services and that the provision of said goods and services will not inhibit the provision by the Trust of the mandatory goods and services referred to in Condition 7(1) and listed in Schedule 2.

(2) Monitor reserves the right to refuse to authorise specific goods and services in circumstances where Monitor is not satisfied that the Board of Directors has a proper basis for the written confirmation referred to in Condition 8(1).

(3) The Trust shall establish and maintain an up to date register of the goods and services referred to in Condition 8(1). With respect to education and training, only education and training provided to third parties shall be included in the register. (5) The Trust is authorised to carry out research in connection with the provision of health care, subject to written confirmation to Monitor by the Board of Directors that the Board of Directors is satisfied that the Trust has the capacity and the capability to provide said research, that all relevant authorisations with respect to the carrying out of said research have been secured, that the said research will be carried out in accordance with the generally accepted ethical standards and that the said research will not inhibit the provision by the Trust of the mandatory goods and services referred to in Condition 7(1) and listed in Schedule 2.

(6) Monitor reserves the right to refuse to authorise research in circumstances where Monitor is not satisfied that the Board of Directors has a proper basis for the written confirmation referred to in Condition 8(5).

(7) The Trust is authorised to make facilities and staff available for the purposes of education, training or research carried on by others.

(8) Any activities undertaken by the Trust, other than the provision of goods and services for purposes related to the provision of health care, shall be subject to any restrictions which may be imposed by Monitor in terms of Section 14(3) of the Act.
9. Protection of property

(1) Property needed for the purposes of providing any of the mandatory goods and services referred to in Condition 7(1) and listed in Schedule 2 (including the ancillary services, accommodation and other facilities related thereto) and the mandatory training and education referred to in Condition 7(2) and listed in Schedule 3 is protected.

(2) The Trust may not dispose any protected property without the approval of Monitor.

The report shall include details of the Trust’s response to the issues raised within the public interest report.

24. **Notification**

The Trust shall deal with Monitor in an open and co-operative manner and shall promptly notify Monitor of anything relating to the Trust of which Monitor would reasonably expect prompt notice, including, without prejudice to the foregoing generality, any anticipated failure or anticipated prospect of failure on the part of the Trust to meet its obligations under this authorisation or any financial or performance thresholds which Monitor may specify from time to time.

25. **Information given to Parliament and to Members of Parliament**
